

My Landscape Diary

Drolla the Storytelling Bench will be visiting the 12 distinct Sections of Cornwall National Landscape, telling stories of its travels along the way.

Why not try to visit all 12 Sections yourself? Each time you visit a new Section, draw a picture of the landscape in one of the frames to record your journey.

We'd love to see your pictures,
so please share them!
#CornwallNationalLandscape

This booklet was commissioned by Cornwall National Landscape's Monumental Improvement Project, made possible with generous support from The National Lottery Heritage Fund and our other funders- Cornwall Council, Historic England, Cornwall Heritage Trust, The National Trust. Artwork produced by Alexandra Fowler of Cornish Books
