Seagull		hobba

Discovering Textures

Drolla has many different textures to explore. Using a pencil or crayon you can record these textures. Place this page on Drolla and use the side of your pencil to rub the surface of the paper and transfer the texture to the page. Try and find a different texture for each box.

Quick Quiz

The Cornish flag, pictured on the opposite page, is also known as the St Pirans flag.

It is thought that the black of the flag may represent metal ore and the white cross the metal seam – which metal do you think this represents?

- A** Gold **B** Silver **C** Tin
